

Justinian Work Project

April 13th 2014—April 17th 2014

\$300 p/p suggested donation

Saint Basil Academy is a New York State licensed and accredited Residential Childcare Facility. At Saint Basil Academy, we provide love, shelter, food, education, and protection to innocent children in need. For the past 69 years, we have been able to be a beacon of hope for thousands of orphans, children of chronically ill or destitute parents and children that come from broken homes. This is all thanks to various compassionate organizations and generous individuals like you.

Please join us at Saint Basil Academy from April 13-17, 2014, as we help improve the aesthetic conditions of this beautiful estate. We will begin by clearing brush and debris, accumulated over the years, along our exterior perimeter fence. Once this task is complete, we will be painting and restoring its condition to its original quality. Upon accomplishing this task, your artistic talents will then be challenged as we attempt to restore the gymnasium's scenic mural. The suggested donation to participate in this charitable event includes lodging, snacks, food and beverages, safety equipment, paint, and the necessary tools and supplies to complete the assigned tasks. Please register today and join us this Holy Week for prayer, fellowship, community service and some good old fashioned "fun".
